

Bethany Kids Mask Only Update

Please review the upcoming changes happening in Bethany Kids as we incorporate a Mask Only service at 11:15am.

Beginning Sunday, September 13th:

- All children (Kindergarten-5th Grade) and volunteers attending the 10:15am Group time in the Kid's Wing are asked to wear a mask.
 - Social distancing with kids is impossible in the classrooms. So in an effort to keep all volunteers and attendees safe, we're incorporating masks which will enable us to continue our fun weekly activities together.
- Preschoolers (Ages 3-PreK) are not required to wear a mask, but they are encouraged.
- Parents should remain in the gym (or go to the gym) to pick up their kids after Bethany Groups.
- At 10:55am, a group of volunteers will transport the children leaving for the day to the South entrance of the gym. At that time, a volunteer will check your security tag and your kids will be released to you.
- We ask that after you've picked up your kids, you exit through the gym doors (north or south) as the Lobby and Kids Wing become "mask only" areas at 11:00am.
- If you need to go back into the Kids Wing or Lobby, please wear a mask.
- Kids attending the 11:15am mask only service will be in the Gear Room socially distanced (as best we can) and wearing masks.
- Parents attending the 11:15am service can pick up their kids from the Kids Wing.
